**SUNSHINE STATE ATHLETIC CONFERENCE EXPANDS SPORT OFFERINGS FOR 2021-2022**

The Sunshine State Athletic Conference will be expanding the sports offered to schools for 2021-2022.

Valrico, FL –March 30, 2021 – The Sunshine State Athletic Conference (SSAC) is excited to expand our sport offerings for the 2021-2022 season. The SSAC will begin offering girls indoor volleyball, golf, cross country, baseball and softball next season, to enhance our current sport offerings of 8-man football, 11-man football, boys and girls basketball, boys and girls soccer, girls beach volleyball and the newly formed eSports league. The SSAC recognizes the need for schools to have choice in high school sports, to find the right fit for their programs, teams and athletes. The SSAC has built its strong reputation on parity and fair play, growing from just 8 schools participating in football in 2008, to more than 160 schools competing in 10 sports in 2021.

“The SSAC has always been about good sportsmanship and fair play, while providing a level playing field for all our members. Parity and customer service have been the magic ingredients for our success and growth.” **Stuart Weiss**, President of the SSAC stated. “The SSAC is a member driven organization and the expansion of our sports offerings for next year is a direct response to meet their needs.”
