Danville Youth Hockey Association
Sponsorship Form

The Danville Youth Hockey Association, serving Vermilion County, Illinois, is dedicated to providing young athletes with the opportunity to grow through the game of hockey. Our program brings together athletes with a shared passion for the sport while fostering their development both on and off the ice. Our mission is to create a positive, supportive environment where athletes build essential life skills such as teamwork, discipline, perseverance, leadership, and respect. By emphasizing sportsmanship, character, and hard work, we strive to develop confident, well-rounded individuals while inspiring a lifelong love of hockey. Through experienced coaching, skill development, and competitive opportunities, we help every player reach their full potential. We believe that the lessons learned in hockey extend far beyond the rink and prepare our athletes for success in all aspects of life.

To continue providing these opportunities, the Danville Youth Hockey Association relies on the generous support of local businesses, organizations, and community members. Sponsorships help offset essential operating expenses including ice time, athlete's safety equipment, and practice equipment.

We are especially proud to introduce the DYH Scholarship Program, designed to assist families who may not otherwise be able to afford the cost of participation. Your support will help ensure that every child who wants to play hockey has the opportunity to do so, regardless of financial circumstances. Together, we can continue to grow the game of hockey in Vermilion County while making a lasting, positive impact on the lives of our young athletes.
